Azure Eyes

Summer night, glass of wine
Then I saw you arrive
Looking good, feeling fine
Now I'm glad I'm alive

Azure eyes look at me and drive me wild
I admire everything that you say or do
My desire's breaking free just like a fire
Every night you are mine
And my love for you is true

Night out on the town
I go wherever you go, need you so
Feelings never know
Come to the surface when I hold you tight

Your beauty took me by surprise
Your sparkling eyes made me surrender

Azure eyes look at me and drive me wild
I admire everything that you say or do
My desire's breaking free just like a fire
Every night you are mine
And my love for you is true

Walking through the park
Birds lead us into the dawn with a song
Magic all around
This mystic sunrise, so pure, now I'm sure

We are as one, beautiful friend
This will not end, this lasts forever

Azure eyes look at me and drive me wild
I admire everything that you say or do
My desire's breaking free just like a fire
Every night you are mine...

Summer night, perfect sky
You and me in the moonshine
Each time you take me high
I am yours and you're all mine

Azure eyes look at me and drive me wild
My desire's breaking free just like a fire
Breaking free just like a fire
Every night you are mine
And my love for you is true

Lying on the beach
You look so good with a tan, I'm your man
So much love inside
All my emotions break free, stay with me

I am so sure you'll never leave
And I believe this lasts forever

Azure eyes look at me and drive me wild
I admire everything that you say or do
My desire's breaking free just like a fire
Every night you are mine
And my love for you is true

Never Forget

Remember
Forever and ever
I will never forget

The Void

So tell me, what were your intentions
Some time ago when you spent the night with me
And tell me, did it make you feel good
I need to know if it felt alright with me

I shied away again and again
When I couldn't cope with pain
I thought we'd be forever friends
Have my efforts been in vain

Desperately trying not to fall into the void
It seems our love has been destroyed
And, yes, I am definitely crying
Now the nightmare has come true
But, baby, I want to be with you

So listen, I don't want to force you
But tell me if we can be together some day
I guess it's all a bit confusing
But if you do, try and help me find a way

But even though I really care
I'm not sure if it's enough
Yet I know there is something there
Is it everlasting love

Desperately trying not to fall into the void
It seems our love has been destroyed
And, yes, I am definitely crying
Now the nightmare has come true
But, baby, I want to be with you

So hard to live without you, my love

Barricades

Thought I was tough, thought I was cold
I could control my emotions
I built a fence around my heart
You tore it down in a moment

I wish that I could hold you tonight
It hurts me inside now it's over
'Cause there is someone else in your heart
It tears me apart, I can't take it

You're the only one that I want

You broke down the barricades
I erected around my heart
I thought I was incapable
Of feeling anything

But now you have gone away
And I'm crying all of the time
It seems so useless
To throw away all we shared

You, you're all I really want
You're all I really need
I feel it in my heart

He, he's no good for you, boy
He'll never change inside
It's tearing me apart

Now you are gone I'm so alone
I realize how I miss you
Can't let it go, want you to know
How much it hurts here without you

They say there's someone else that you love
He forced you to choose between us
I understand he's part of your heart
But he'll never change and I love you

You're the only one that I want

You broke down the barricades
I erected around my heart
I thought I was incapable
Of feeling anything

But now you have gone away
And I'm crying all of the time
It seems so useless
To throw away all we shared

You, you're all I really want
You're all I really need
I feel it in my heart

He, he's no good for you, boy
He'll never change inside
It's tearing me apart

You're the only one that I want

You broke down the barricades
I erected around my heart
I thought I was incapable
Of feeling anything

But now you have gone away
And I'm crying all of the time
It seems so useless
To throw away all we shared

You're the only one that I want

Requiem for Melissa

Enlighten Me

Please enlighten me baby

Tell me what you think, what is on your mind
Do you think that we could be together

I am tired of fighting, I'm fed up with the pain
I am sore from the crying, am I going insane

Please enlighten me baby

Do you think that we could be together
Forever and ever

It is clear I still need you, it is clear I still care
I just can't live without you, it just isn't fair

How come that no one seems to understand
How come that no one seems to care
How come that no one seems to comprehend
How come that no one seems to care

Please enlighten me baby

Do you think that we could be together
Forever and ever

You always listened to the things I say
You always listened to my words
You always tried to help me find a way
You always saw how much it hurts

Please enlighten me baby

Tell me what you think, what is on your mind
Do you think that we could be together

And you know that I love you and you care about me
I can't stop thinking of you, would you rather be free

Please enlighten me baby

Tell me what you think, what is on your mind
Do you think that we could be together
Forever and ever
